

# Introduction to Online Judges

Srivaths P - [sriv.bio.link](https://sriv.bio.link)

# Integrated Development Environment (IDEs)

## Online IDE:

- USACO IDE: <https://ide.usaco.guide/>
- repl.it: <https://replit.com/>
- More Online IDEs: <https://usaco.guide/general/running-code-online?lang=cpp>

## For C++:

- Sublime Text (lightweight, does not have many features)
- VSCode (Has many features and plugins)
- CLion (Heavy, has many features, suited more for development)

# Online Judges

- CodeForces: <https://codeforces.com/>  
Catalog: <https://codeforces.com/catalog>
- CodeChef: <http://codechef.com/>  
DSA Prep: <https://www.codechef.com/learn/interviewprep>
- AtCoder: <https://atcoder.jp/>  
Practice Problems: <https://kenkoooo.com/atcoder/#/list/>
- LeetCode: <https://leetcode.com/>
